

Pope Memorial Library

More than books

For over 130 years, the Pope Memorial Library (PML) has served as a community hub in the Mount Washington Valley (MWV). Located in downtown North Conway, the Library was expanded in 2020 to include more space for its growing collection and increasing program offerings. Today, we continue to bring together people of all ages, interests, and locations, serving all residents of the MWV.

Our purpose is more than books. We advocate for literacy while strengthening community relationships through education, collaboration and connection. We offer a safe, welcoming space for all, diverse resources, creative programming and beneficial services. From our beloved story time for our youngest readers - to a writer visit attended by more than 70 people - to a robust group of crafters who meet twice monthly, our mission continues to be a library for all. As a 100% privately funded library, we do not regularly receive town, state or federal government funding and therefore depend on donations to ensure that the library remains free and open to the public.

On Saturday, July 26th, 2025, Pope Memorial Library again presents Bike for Books at Cranmore Mountain and the MWV Rec Path

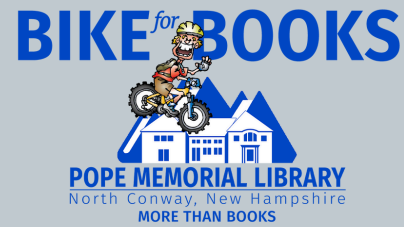

Thank you for considering being a sponsor of the Pope Memorial Library's Bike for Books ("B4B") fundraiser, which drew over 90 participants with its newly redesigned event last year. We are excited to announce that we will continue the amazing partnership with Cranmore Mountain Resort. The event will be based out of Cranmore, utilize the new MWV Rec Path and also include the option to ride the downhill mountain biking park.

Your support will help make this event a success!

Scheduled Date for 2025: Saturday, July 26, 2025
